We Do Exist

OUR MISSION AND VALUES

Delta Pride is an organization whose purpose is to enrich the lives of those who identify as LGBTQ+ and to aid in a safer environment. Our vision is to promote equality within the community. Creating a safe place to nurture the development of LGBTQ+ youth and their families. Providing resources for LGBTQ+ community in a rural area can be difficult. Delta Pride aims to be the foundation for the lower Grand Valley LGBTQ+ Community in resources and education for all ages. With education and support, we can change the world around us.

Values

- Providing a protected environment to educate the public.
- Assembling resources for behavioral and physical health in a rural area.
 - Inclusivity within the community.

We Do Exist

This is your opportunity to sponsor Delta Pride 2023 and be part of the solution in the Grand Valley. With your donation you are making a commitment to saving lives. Here are some of the results of The Trevor Project Survey 2023 to help you understand how this donation will make a difference, Fewer than 40% of LGBTQ+ youth had an affirming home. 41% of LGBTQ youth considered attempting suicide within the past year. These statistics can change with your help. The sponsorship will help us increase visibility and help begin to erase the stigma that has so painfully been placed on this community. This event will provide a safe inclusive space where the LGBTQ+ community can find resources and a community with less fear and more hope. It is a frightening place for our youth especially in rural areas. Help us give them a fighting chance. Volunteers are also needed and greatly appreciated. Each affirming adult can help reduce self harm in youth. You can make these statistics shrink just by being an ally. More details as they unfold.

Thank you for your contribution.
